

Statement of Qualifications

Special Requirements

In addition to the STD. 678, please include your response to these questions. It must not be more than three pages typed and must be submitted with your application.

1. Why are you interested in this position, and what makes you a competitive candidate for this position?
2. Describe your knowledge and experience regarding the National and State Organic Programs and include any experience working with county agricultural agencies.
3. What is your experience creating and maintaining an agricultural customer user database?
4. Much of the Organic Program's work is performed in a team environment. Please describe your work experience as a member of a team, including your role on that team. Include experiences as a team lead.
5. Describe your experience in providing training, workshops, and presentations to other enforcement personnel and the agriculture industry.
6. Describe your experience learning and understanding new programs, laws and policies.
7. Give an example of a time you had to research an issue and make recommendations to management. How did you perform and present the research? What happened after you presented your findings and made your recommendation?
